

**City of Ida Grove
Special City Council Meeting
August 15, 2018 – 12 Noon
City Council Chambers**

Mayor Whiteing called the meeting to order at 12:10 p.m. with the following Council Members present: Scott Tomlinson and Doug Clough. Ryan Goodman and Gregor Ernst were present via telephone. Paul Cates was absent.

Motion by Clough to approve the agenda, second by Tomlinson. On a unanimous vote, motion carried.

Project Management Clerk, Kelly Young, informed Council that our current inductive-loop traffic detectors are failing due to the Iowa freeze/thaw cycle. There is a grant available through the DOT for traffic safety improvements that could potentially fully fund a vehicle detection camera to control the intersection of Highway 175 & Moorehead Avenue with no match or cost from the City. Motion by Tomlinson to approve Resolution 2018-22 a resolution authorizing the submittal of an application with the Iowa Department of Transportation for traffic safety improvement program (TSIP) funding for the intersection of US Highway 175 and Moorehead Avenue to replace inductive-loop traffic detectors with a vehicle detection camera, second by Clough. On a unanimous vote, motion carried. The City expects to hear a determination on the grant application January, 2019.

Motion by Ernst to adjourn, second by Clough. On a unanimous vote, motion carried.

Meeting adjourned at 12:15 p.m.

Heather Sweeden, City Clerk

Devlun Whiteing, Mayor
